zCapital Swiss ESG Fund zCapital

The fund meets the quality standard for sustainable investments in the German speaking countries developed by Forum Nachhaltige Geldanlagen e. V. (FNG; SIF of Germany, Austria, Liechtenstein and Switzerland). Certified funds pursue a professional and transparent sustainability approach. Its implementation has been verified by an independent assessment of the university spin-off of the Sustainable Finance Research Group at the University of Hamburg and supervised by an external committee.

The fund receives two of three possible stars for a particularly ambitious and comprehensive sustainability strategy. Additional points can be achieved in the categories of institutional credibility, product standards and portfolio-focus (selection- and dialogue strategy, KPIs).
